œ

In this course I have been taught helpful knowledge and abilities which I can use in my later work life

œ 6 9 4 2 0 0 0 -Totally agree Partially agree Partially disagree Totally disagree N/A

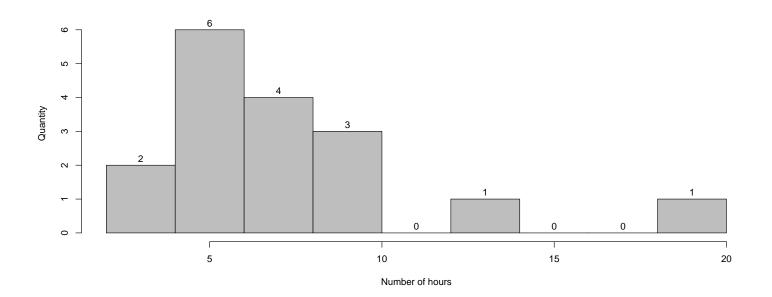

This course boosted my interest in this area of studies

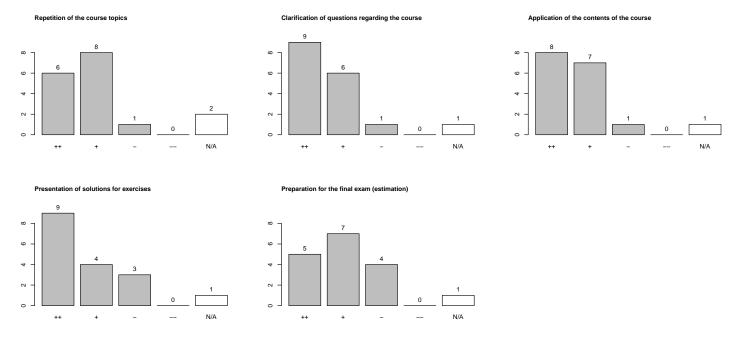

4 Please estimate the effort and complexity of this course.

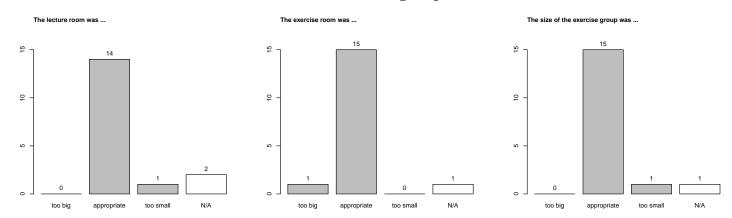

5 How many hours per week did you spend on this lecture (including the visit of the lecture and exercise groups) on average?

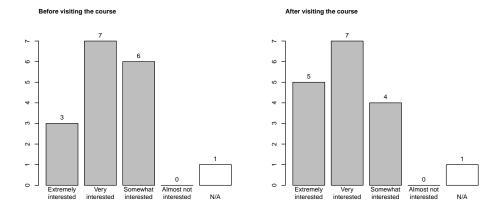

6 Please assess the value of the exercise groups to help understanding the presented topics.

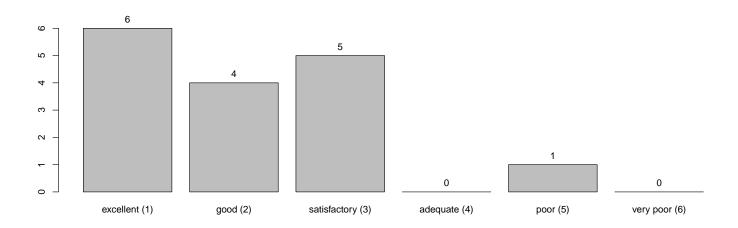

7 Please rank the size of the rooms and exercise groups.

8 Please compare your interest in the topics of the course before and after visiting the course.

9 Please give an overall rating of the course on a scale from excellent (1) to very poor (6).

10 Comments

Which things of the course did you	What could be improved?	You can leave remarks and feed-
like?		back to our survey here.
The Exercises; The topics covered	Some of the slides weren't clear enough;	
	Some of the references at the end are fpr	
	German books/papers, which without a	
	translation can't be used by internatio-	
	nal students who don't know german	
topics; lecturer; tutor	some slides	Thank you!
lots of interesting approaches good	slides. Some of them do not contain	
practical tasks	enough of understandable info	
everything but	the amount of material to learn	
some Topics in Lectures and also the	quality of teaching and practical wor-	
tutor was very kind and online to ask	king on Topics and also speed of tea-	
questions	ching number and quality of slides.	
	The content of the slides. In most of the	
	cases it is required to look into original	
	papers in order to grasp the idea of the	
	lecture. Also would be cool to have mo-	
	re examples in the slides	
	Non-obligatory attending of tzhe exer-	
	cises. Lesser and compress the amount	
	of slides
