7.1 Which aspects of the course did you like?

Manthey

The interesting topics being discussed

I liked the lecturer because he was able to present you the topic in an easy and understandable way. You can learn new stuff without pressure.

- Lectures were quite helpful, because the prof. can explain very well the topics and does this in an exactly right speed

7.2 What could be improved?

The exercises.

An exercise class done for the "whole class" exercise group ist not very effective.

7.3 You can leave remarks and feedback to our survey here.

Manthey is the best.

Good survey
