7 Free Text Comments

7.1 Which aspects of the course did you like?

It was particularly good that the lecture did not follow slides verbatim. Explanations before the lecture were very helpful

The prof was good and mode the topic interesting

Slides, Programming exercises

Slide and lecture were realy well structured. Every topic good explained. Exercises and tasks very well made

7.2 What could be improved?

explain more in tutorials, instead of just give the solution. Tutors talked into the direction of the board

introduce more "application"

7.3 You can leave remarks and further feedback here.

I think the lecture would be easier, if you know the muscal scale and which keys are there, but also unmusical. persons coud follow
